Our experienced nannies will take time to discuss your child's routine and go out of their way to follow it, to help keep your child happy and settled. The daily activities have been tailored, taking into account the weather and of course the fun factor. Complimentary nappies, swimming nappies, wipes, fresh milk, purees are provided. Meals are freshly made and prepared on a daily basis (for full day sessions only). When it's nap time, they can settle down in the specially designed sleep room.

This age group is kept busy with lots of fantastic activities. Children can get creative with locally inspired activities like designing their own mosaics, baking delicious Cypriot cakes or taking part in traditional Cypriot games in the garden, organised by the amazing Explorers childcare team.

Voyagers spend much of their time out and about making the most of the exciting activities and sporting facilities the resort and the Explorer team have on offer. Elements of the Cypriot culture and tradition are transferred in a fun and interactive way for children to learn and discover, like trying out the local Cypriot dance moves and finding out what is growing in our kitchen garden. When they do have some chill out time, an area full of toys and games welcomes them where they can catch up with their friends.

There is a busy and energetic programme of sport and activities organised and most of the activities will be spent out and about amongst the resort.
